Ask yourself these questions:

(1) What do I, as a chapter adviser (new or returning),need to do?

Join the **National FCCLA Advisers Facebook Page** to network with other advisers from across the country and have access to resources, project ideas, and lesson plans which are posted weekly.

(2) Do I aim to instill students with a love of learning?

- **Advising an FCCLA chapter can be an excellent adventure with rich rewards, a stronger FACS program, closer relationships with students, and personal and professional recognition.**
- **Keep your eye on the prize, relax, and rely on your student's creativity and enthusiasm!**

Don't forget about Social Networking, look at the links below, a great way to stay connected.
