

Online STAR Event Project Summary Form

All competitors are required to submit the Online STAR Event Project Summary Form to their room consultant at time of presentation.

Form is located on the national site (fcclainc.org)

Go to the home page, click on programs, then Competitive Events, then STAR Event, then Resources

Once you open resources, scan down to General STAR Event, then click on STAR Event Online Project Summary form, open and complete the survey BUT make sure you print off a copy as proof before you submit it to the national site. This is REQUIRED for all competitors at the NC FCCLA State Conference.
