

## SLC Chapter Flag Parade

**CHAPTER FLAG PARADE** requires an individual participant (Preferably a chapter officer) to walk across the stage during the State Leadership Opening Ceremony. This will allow the individual chapter to be recognized as STAR Events participating Chapters in the SLC. The flag can be design by one participant or all chapter members to demonstrate their knowledge, skills, and ability to use their creativity to design a Flag for their chapter.

The flag will serve as a symbol of the Chapter. It should represent the purpose and resolve of the Chapter; the flag will address the history and or future of the chapter and will tell a story based on colors chosen, design used and graphics presented.
