

Why Advise an FCCLA Chapter?

FCCLA advisers enjoy many benefits including resources, professional development opportunities, leadership growth, and networking. These benefits are available to any adviser at any experience level.

The resources that **FCCLA** offers are invaluable to a Family and Consumer Sciences teacher. In terms of program ideas, lesson plans and competitive events, FCCLA offers its teachers the opportunity to help students apply their classroom content to real-life settings.

You have the chance to participate in a variety of professional development opportunities throughout the year. Affiliated **FCCLA** advisers have a chance to connect with industry representatives at national meetings to discuss trends and gain knowledge about products and opportunities. In addition to professional development, advisers have the chance to use that development to help students and themselves pursue leadership opportunities.

As an **FCCLA** adviser, you will have an opportunity to connect with great individuals throughout the nation who can be professional resources and personal supports to you as you work to establish, build, and improve your chapter.

Being an **FCCLA** adviser allows you to empower our future leaders and promote personal growth and leadership development through Family and Consumer Sciences education.
